Re: Exceptional Service from Dan Harmsen

To whom it may concern,

We have recently secured a new location for our Calgary offices through the services of Dan Harmsen. Dan has not only been a true professional from the beginning, but has continually gone beyond the call of duty to help us find the right space and negotiate an effective deal.

As a creative studio with onsite printing facilities, our needs are quite unique. Dan was able walk us through the landscape of the market, and quickly zeroed-in on opportunities that showed potential to suit our specific needs. Despite a few false starts, and countless 'close but not quite' on our part, Dan continued to demonstrated his commitment to finding us the perfect location.

Dan's core insight of the marketplace, and knowledge of the 'character space' segment proved to be a great asset and I highly recommend Dan Harmsen to anyone in need on commercial space in Calgary.

Sincerely,

Gavin Harrison
CEO
