To whom it may concern,

Re: Barclay Street Real Estate – Acquisition of Tawa Centre, Edmonton

Barclay Street Real Estate Ltd., specifically David Wallach and Doug Grinde, facilitated our acquisition of Tawa Centre, a 95,000 square foot medical office complex in South Edmonton.

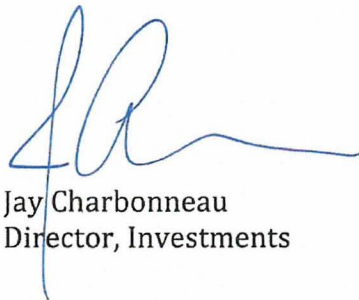

In addition to engaging the previous owners, they provided advice on deal structure and were helpful in assisting to compile the information we required to complete our due diligence. Their attentiveness, consistent reporting and professional approach were invaluable and we look forward to working with them again.

Sincerely,

Northwest Healthcare Properties REIT
